One Stop Information Site

Apex Securities Web Page Guideline

These descriptions should guide users in understanding and navigating the menu of the webpage effectively.

Left Menu:

- **About Us**
Learn about our journey from humble beginnings to becoming a trusted financial services provider, along with our mission to empower clients with innovative solutions.
- **Products & Services**
Discover our comprehensive range of Equities & Derivatives trading services tailored to meet your investment needs.

- **Platforms – Your One Stop Information Site**

- **ApexTrade**

A link to the online trading platform, offering seamless access to both local and foreign trades.

- **Apex Academy**

A comprehensive educational hub designed to empower investors with knowledge. i.e. Market insight, technical calls, ASB's forex rates and bursa announcement.

- **Apex eStatement**

Simplify your financial tracking with secure, paperless access to your account statements and transaction history.

- **Career**

Join Apex Securities to grow your career in a dynamic, innovative environment with opportunities for development across various roles in the financial services industry.

Right Menu:

- **Contact Us**

Easily get in touch with our Customer Service team for any inquiries or support.

- **eStatement**

Access your account eStatement and transaction history seamlessly with our secure, paperless feature.

- **Learn**

Directs you to Apex Academy, a comprehensive educational hub designed to empower investors with knowledge. i.e. Market insight, technical calls, ASB's forex rates and bursa announcement.

- **Trade Now**

Directs you to Apextrade (Equities & Derivatives) and Derivatives (Trading Technology) web pages for seamless trading access.
